A traditional table brings back Winter Memories

It's Christmas and it's cold outside but inside it's cosy and warm, and everything in the room is a treat to the eyes. Especially what's on the table. Red Pillar Candles are a must for the season, and the Winter Memories design of the Slipcovers and the Dunilin® Napkins completes the cheery winter atmosphere.

The products in this range are FSC®-certified. FSC®-certified forests are managed in a way that meets the social, economic and ecological needs of present and future generations.

Duni Candle Glasses are the quick and easy way to add warmth and cosiness to your table.

A glistening table arrangement with silver and glass and a pinecone!

The Winter Memories design of this Dunilin® is so charming, you'll be tempted to just look at it.
